# ABOUT US **KING SWINGS**

It all started 25 years ago in a 1600-square-foot workshop in Lancaster, PA. **King Swings**, a family owned and operated company, began designing, manufacturing, and installing swing sets. Today our production facility was swelled to 34,000 square feet. Made by some of the finest Amish craftsmen in the country, our swing sets will provide long hours of fun for your children and grandchildren.

We make sure our swing sets are safe. Built to support adult weight, the deck surfaces can bear up to 250 pounds and most rides up to 200 pounds (except plastic gliders). So parents, you can play along with your kids! All lumber is sanded to be splinter-free, with rounded corners and edges.

Swing sets are unmatched for aiding in children's physical, mental, social and emotional development. Exercising in fresh air stimulates muscle growth, increases coordination, and develops the mind.

Thank you for choosing **King Swing** products.  
We're confident you will not be disappointed.

*Bernard S. King*

**-Owner-**

\* We offer moving services on all swingsets. Contact your local dealer for info.

# QUALITY'S IN THE DETAILS!

30 Year Weather Resistant Shingles

Heavy Duty A-Frames

Durable Heat Resistant Plastic

Easy Access Points & Safety Hand Rails

# WHAT GOES INTO OUR SWINGSETS

It all starts with a tree. Trees grown in managed forests are a renewable resource that take less energy to produce than other building materials.

Wood is a wonderful building material for a variety of reasons. It can be cut, shaped and sanded easily. Finally, wood is just plain beautiful!

# CUSTOMER TESTIMONIAL

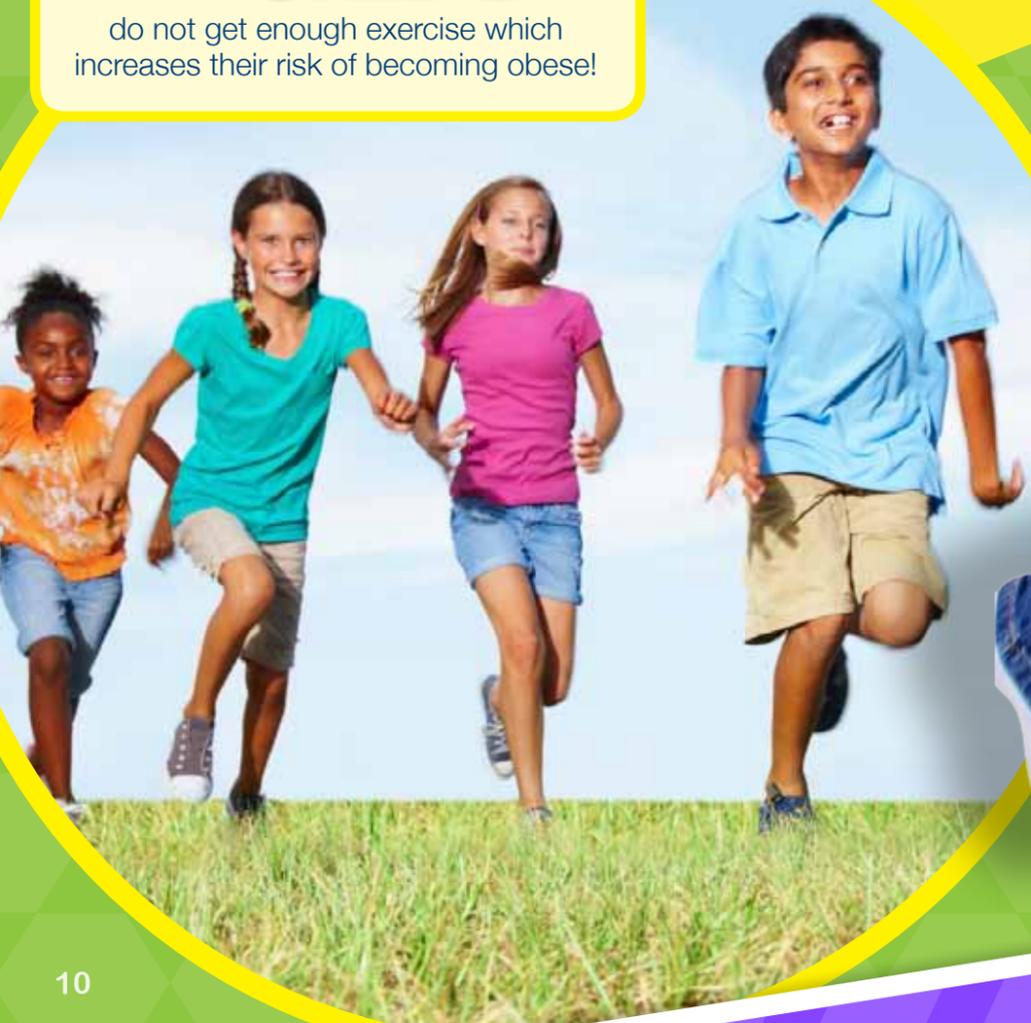

*"We really appreciated the ability to custom design this swingset for our needs. We only had a small area available for it, and were able to put more action into that area than any other brand could. We would certainly deal with Kingswings again in the future."*

The Strasburg Railroad - Strasburg, PA

# ACTIVE KIDS <sup>Are</sup> HEALTHY KIDS

DID YOU KNOW?  
**50% OF KIDS**

do not get enough exercise which increases their risk of becoming obese!

SO GET OUT

& PLAY!

## WHY BUY A SWINGSET

- Time outside lowers children's risk of hyperactivity and depression.
- Outside play stimulates kids' imaginations, expanding their creative thinking.
- Children who create and play together face-to-face get along better with others.
- Children who spend time outside are calmer.
- Fresh air and exercise help stave off infections, colds, and the flu.

## FREQUENTLY ASKED **QUESTIONS?**

**Q: Is pressure treated lumber safe for my children?**

A: Yes, pressure treated lumber is backed by a limited lifetime warranty in residential applications, and is safe for your children.

**Q: We may have to move within the near future, is now the time to buy a swingset?**

A: It's simple! We offer full moving services on all our swingsets.

**Q: Will the slides get hot in the summer time?**

A: No, the plastic material will deflect the sun rays heat from the slides.

**Q: Can this lumber be painted or stained?**

A: Yes, as long as the wood is completely dry, you can stain or paint your playset.

**Q: Can a grown adult use the swings and gliders?**

A: Sure, go out and enjoy some fun with your children! Our playdecks have a tip-proof design and will easily support an adult.

## LIMITED LIFETIME & **2 YEAR WARRANTY**

King Swings warrants its swingsets used in residential applications. To receive warranty benefits, the enclosed warranty application must be filled out and mailed to King Swings within 90 days of purchase. Warranties are for original purchaser at the original installation address. Any alterations, relocation, or improper installation of your playset will void the warranty.

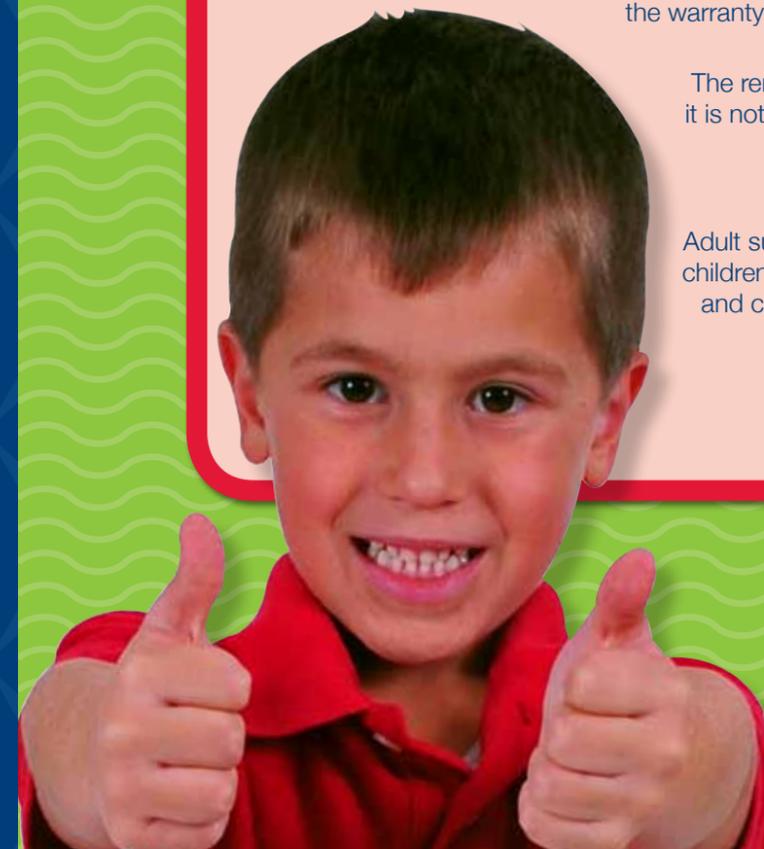

King Swings warrants that workmanship of your playset will be without fault for up to 2 years. We extend a limited lifetime warranty on all pressure treated lumber against decay & insect damage. In addition all canopies, sliding boards, metal components, swings and accessories are warranted for 2 years from purchase.

King Swings products are not warranted as being suitable for a particular purpose. The suitability of the product is for the purchaser to determine. This warranty does not cover normal wear and tear, failure to properly maintain the playset, or damage resulting from misuse or abuse of the product. All damage done by acts of nature such as lightning, storms, hurricanes, tornadoes, earthquakes or any extreme weather conditions are not covered.

King Swings reserves the right to request photographs and/or physical evidence of the product claimed to be defective, and to recover product prior to any warranty work being authorized. All shipments of products returned for inspection will be paid by consumer. If the defect is covered by manufacturers warranty, the manufacturer will remedy the warranty claim within a reasonable time frame.

The remedy will consist of repair or replacement of the defective piece unless it is not practical. If this would be the outcome manufacturer will reimburse the original purchaser for the value of the defective piece.

Adult supervision is recommended while children are enjoying their playset. All children must maintain a safe distance from moving play equipment. For safety and comfort reasons, the manufacturer reserves the right to make design & structural changes without notice.

# 1 CHOOSE YOUR FINISH

## Stained

Our stained sets are built of pressure treated yellow pine lumber, covered with a high quality, penetrating oil based stain. This attractive stain will keep your playset beautiful for years to come.

## Unfinished

Our wooden swingsets are built with pressure treated, yellow pine lumber. It is treated to withstand harsh weather elements, along with being attractive, clean, and odorless. Our lumber is environmentally safe, and more importantly safe for your children. It is backed by a limited lifetime warranty against decay and insect damage.

## Painted

Our painted sets are built of pressure treated yellow pine lumber, covered with a high quality water based paint. We have 13 different paint colors to choose from. Only playhouses and playdecks are available with paint. No components that touch the ground will be painted. (Example: A-frames, monkey bars, and sand boxes are cedar stained)

## BALL PIT

Let your kids dive-in and bury themselves in these clean and safe lightweight balls. The wiggles and giggles are sure to follow!

INCLUDES 1500 BALLS!

## Mulch, Edging & Weed Guard

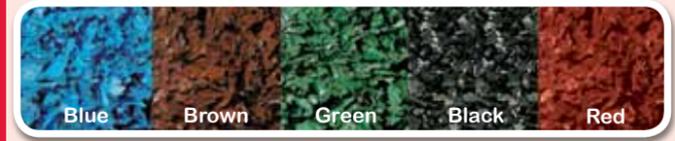

# 10 SURFACING OPTIONS

## 1. Rubber Mulch:

- Exceptional shock absorbancy
- Reduced risk of playground injuries
- Minimal Maintenance
- Dries quickly after rain
- Will not decompose
- Will not fade
- Non-Staining
- Non-toxic
- Does not freeze
- 99.9% Steel Free

## Rubber Mulch Colors

## 2. Wood Mulch & Borders:

For a traditional play area, we also offer wood mulch accented with wood edging for a clean and classy look.

## 3. Plastic & Wood Borders:

Keep your play area neat and tidy with our plastic & wood interlocking borders, which come in 4' sections.

## 4. Weed Guard:

Keep the weeds where they belong, outside of your play area, with our landscaping screen. Our screen comes in wide rolls and can be cut to the desired length for your playset.
