ABOUT us...

As a premier vinyl swing set manufacturer, Swing Kingdom is a family operated business that is striving to manufacture quality built, affordable swing sets that will provide you with loads of fun and family time.

Swing Kingdom started designing and manufacturing swing sets in 2000 in a 500 square foot building. The demand for high-quality virtually maintenance-free swing sets has grown so much that we needed to expand to our new 43,000 square foot facility. Swing Kingdom was the first manufacturer to utilize the superior combination of PVC and structural wood, topped off with stainless steel corner brackets and hardware for extra strength.

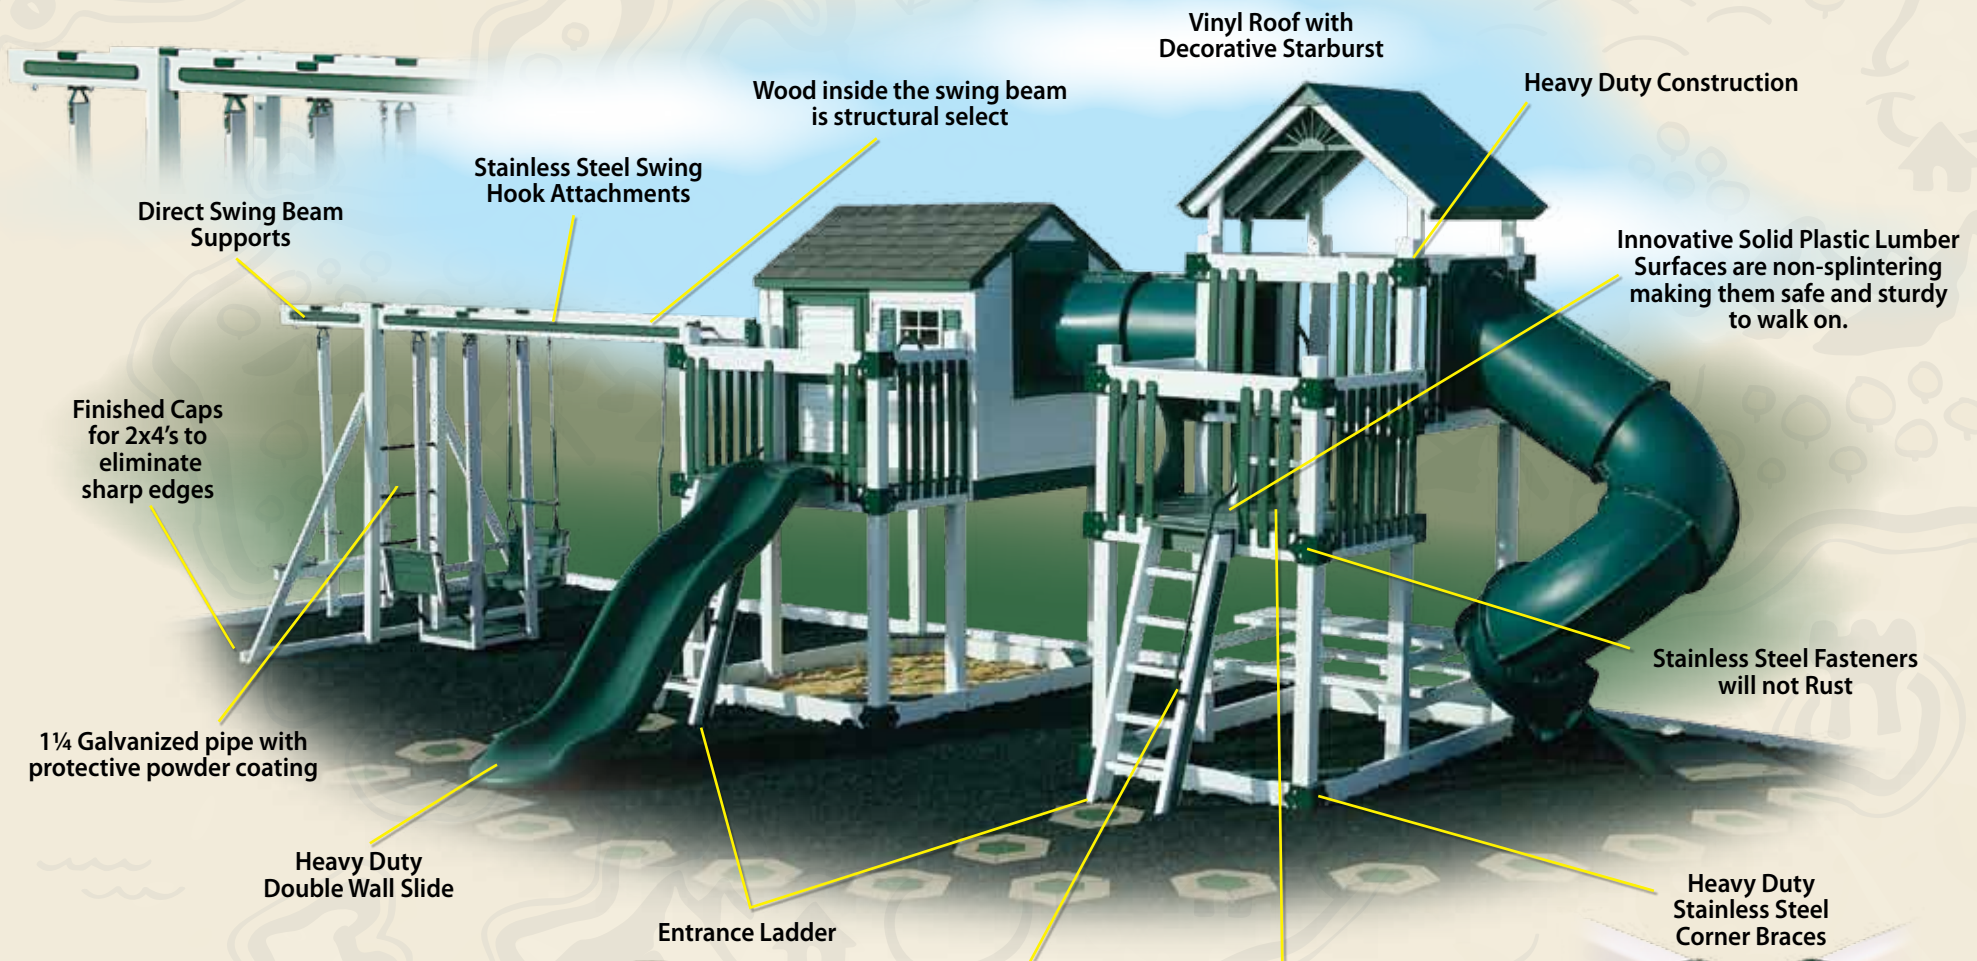

Our play sets are loaded with activities that will be sure to spark your child's imagination. Invite some friends over for some fun outdoor activities with your children.

OUR MISSION...

OUR MISSION AT SWING KINGDOM IS TO CREATE PROGRESSIVE SWING SETS FOR PARENTS WHO WANT TO GENERATE A RELATIONSHIP WITH THEIR CHILDREN IN THE EARLY YEARS OF PHYSICAL DEVELOPMENT.

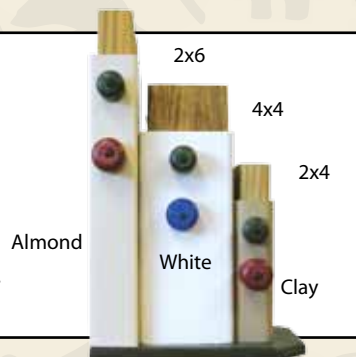

detailed quality

Heavy duty construction

All structural members are preserved wood encased with almond, white, or clay vinyl. All of our play systems are built with the finest materials available.

Safety Hand Rail

Safety Surface

See page 6 for color options

Heavy Duty Stainless Steel Corner Braces

frequently asked questions...

Q: Why vinyl?

A: Swing Kingdom's vinyl and decking products are the best and most uniform material available in the industry. Our vinyl is co-extruded under extreme pressure to assure a durable and beautiful finish for years to come.

Q: How strong is Swing Kingdom's vinyl?

A: Our vinyl has 5 times the tensile strength and 4 times the flexibility of wood. By combining the performance of vinyl and the sturdy characteristic of Wolmanized Natural Select outdoor wood, we create a swing set that is built to last.

Q: Will Swing Kingdom's vinyl turn yellow?

A: No. Our products contain an extremely effective UV inhibitor that offers more than enough protection from the sun's ultraviolet rays.

Q: Are Swing Kingdom's swing sets easy to maintain?

A: Yes. Very easy. If your swing set does become dirty, revitalize its appearance and make it look like new with the use of only a garden hose and some glass cleaner with a soft bristled brush to wash dirt and debris away.

Q: Are surface checks and cracks or knotty appearances normal?

A: No. Your swing set will have a clean and smooth finish for years to come.

Q: Does our yard need to be level?

A: We recommend that your site be level for the appearance and safety of your system. It is important to have a level area, at least three feet larger all the way around, prepared before delivery.

Q: Why do you cover the wood?

A: The wooden structural elements of your home are covered to preserve, and reduce maintenance. This same philosophy is used for Swing Kingdom's vinyl play systems.

no painting or staining

no splinters or rotting

& saves time & money!

thank you...

*for choosing our line of swing sets, to enhance your back yard,
and provide your children with the safest swing set possible.*

*Let us supply you with the value and comfort of a
NON-SPLINTERING, LOW MAINTENANCE SWING SET that your children
will cherish for years. Our goal is to provide you with safety and comfort.*

Unlike wood, our vinyl decks will remain smooth to the touch.

*The innovative SLIP RESISTANT surface is
NON-SPLINTERING, making it safe and comfortable to walk on.
The non-toxic, non-absorbent vinyl material does not require the
maintenance time and harsh chemical treatments that are a must
with wooden play sets. For maximum value we have used
stainless steel lags, bolts & screws.*

WE APPRECIATE YOUR INTEREST!

Limited Lifetime, 20 Year & 5 Year Warranty

Subject to ordinary use and proper installation

Swing Kingdom warrants to the original purchaser at the original installation address, that the structural components of the playground systems, such as the PVC plastic lumber and wood components are covered by a 20-year warranty. In addition, all canopies, slides, metal components, swings and accessories are warranted for 5 years from date of original purchase.

The manufacturer's products are not warranted as being suitable for a particular purpose. The suitability of the product is for the purchaser to determine. This warranty does not cover normal wear and tear, failure to properly maintain the product, or damage resulting from misuse or abuse of the product, additionally any acts of nature such as lightning, storms, hurricanes, tornados, earthquakes or any extreme weather conditions. Also any alteration, addition or relocation of the product will void this warranty.

Swing Kingdom reserves the right to examine photographs and/or physical evidence of the product claimed to be defective, and to recover product prior to any warranty claims. All products returned for inspection must be sent freight prepaid. In the event of a defect covered by these warranties, Swing Kingdom will remedy the defect within a reasonable time. The remedy will consist of repair or replacement of the defective piece unless it is not practical. Then Swing Kingdom will reimburse the original purchaser for the value of the defective piece.

Adult supervision is recommended while enjoying your play system.

For safety and comfort reasons, the manufacturer reserves the right to make design & construction changes without notice.

Lawn Swings

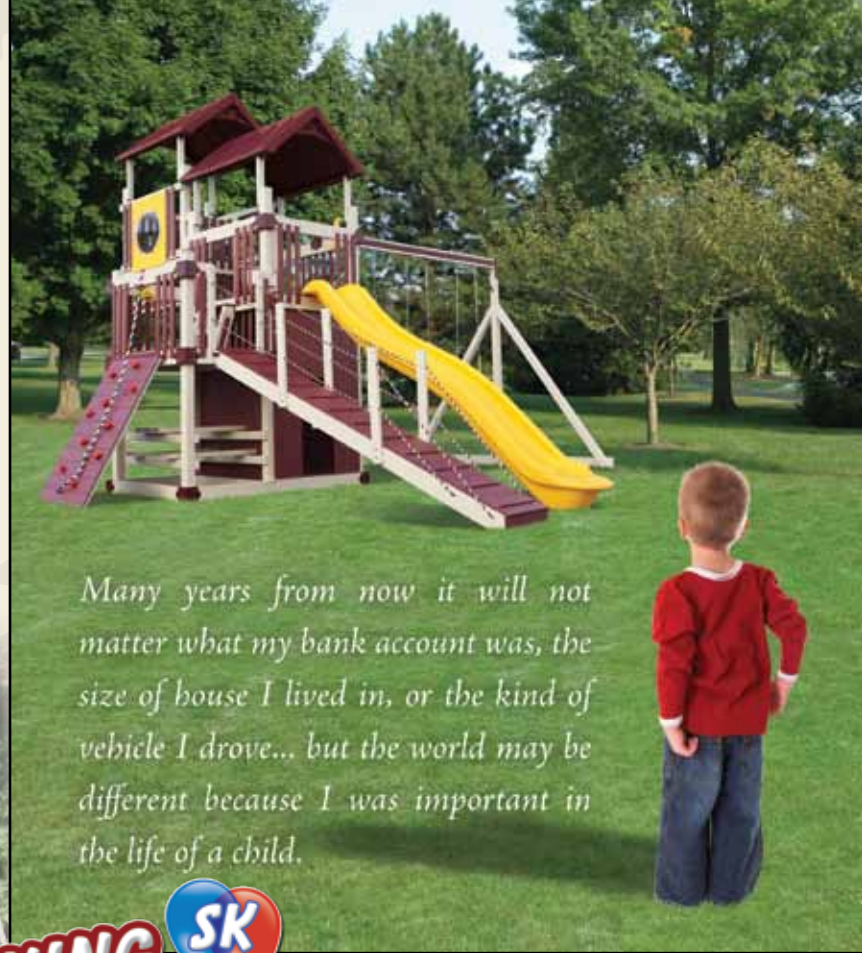

Straight Back Lawn Swing
